

Guidance for election as an Alderman and Guidance on Progression to the Offices of Sheriff and Lord Mayor

This document aims to provide practical guidance to those considering standing for election as an Alderman* of the City of London, as well as guidance for those elected on the steps involved in progressing to the role of both Sheriff and Lord Mayor.

The role of an Alderman

The role of an Alderman in the City of London is one of the oldest elected roles in the UK. Each of the twenty-five Wards in the City elects one Alderman for a term of up to six years, although you can seek re-election up to the age of 70. The 25 Aldermen form the Court of Aldermen¹, one of the three governing Courts of the City of London. While the precise nature of the Office continues to evolve, its aims remain consistent, that is to encourage trade, champion standards, build skills in the workforce and promote the City as an attractive place to live and do business.

An Alderman will also sit on the Court of Common Council² which is responsible for the overall policies and resources of the City of London Corporation, and sets the Corporation's multi-year strategy and plans. Part of the role of an Alderman is to champion one or more elements of the Corporation's strategy and participate on one or more operating committees.

A more detailed job description of the role and the duties undertaken can be found at **Appendix 1**.

The Court of Aldermen

One of the responsibilities of the Court is to elect the Lord Mayor each year. Only a serving Alderman, who has served in the Office of Sheriff, is eligible for election. Consequently, each year, around May, the Court nominate one Alderman, occasionally two, as a candidate(s) for the following years election by the Livery for one of the Sheriffs of the City of London.

At the same time, the Court vote to nominate an Alderman as their preferred candidate for Lord Mayor, also for the following year. The names of those Aldermen who have been Sheriff, but not yet Lord Mayor, are eligible to be put to a vote by the Livery in Common Hall³ in late September each year. At that election, the Livery return two names of those eligible to the Court of Aldermen, who then carry out a final vote to elect the Lord Mayor.

Attracting candidates

Given the significance of the City of London to the UK economy, it is essential to attract candidates of the highest calibre to become Aldermen, ideally from sectors that represent the City of London's economy and interests. It is also important that the Court of Aldermen reflects the City's diverse demographics.⁴ Given the profile and demanding nature of the role of Lord Mayor, if you are considering standing for election, you should also consider your interest in progressing to the role of Sheriff and Lord Mayor. You should consider the significant time commitments that this is likely to entail, along with your skillset and professional track record. It should also be recognised that this is a competitive process and approximately only half of those elected as Aldermen are likely to go on to become Lord Mayor given the size of the Court and the average tenure.

Equal Opportunities

The City of London Corporation's vision is to build and support strong, sustainable and cohesive communities by ensuring its policies, processes and employment practices, promote equality of opportunity and are inclusive. Its services are monitored and reviewed on an on-going basis to ensure they are provided in a fair and equitable way, and to ensure compliance with the Equality Act 2010 and the Public Sector Equality Duty which places obligations on the authority to eliminate discrimination, advance equality of opportunity between different groups, and foster good relations between groups in the City's communities to tackle prejudice and promote understanding.

The City of London Corporation is required to demonstrate that it has shown 'due regard' to this duty in its decision-making processes and all those serving on the Court of Aldermen or involved in the Aldermanic Appraisal process should therefore be aware of the Equality Act 2010 and the Public Sector Equality Duty.

In order to embed the City's obligations within the Public Sector Equality Duty, guidance and training is available. A suite of on-line training is accessible and includes: Equality in the Workplace, Transgender Awareness, Equality Act 2010 and Unconscious Bias.

The City Corporation's Equal Opportunities Statement is set out in Appendix 6.

Before your election as an Alderman

When considering standing for the role, consultation with those currently involved can be very helpful. Meeting the following people may be useful in deciding whether you wish to stand for election, in which Ward and when you may wish to stand:

- The senior Alderman and/or the Chairman of the Privileges Committee of the Court of Aldermen, who presides over the nominations process for Sheriff and Lord Mayor.
- The members of Common Council in the Ward being considered.
- A senior officer from the City of London's Town Clerks department.

⁴ The City Corporation Members' Diversity Charter, which is signed up to by the City Corporation's elected Members on a voluntary basis, demonstrates the importance of attracting a diverse pool of talent to engage with the City Corporation at different levels to create a City that flourishes: <https://www.cityoflondon.gov.uk/about-the-city/how-we-make-decisions/Pages/corporate-governance.aspx>

After your election as an Alderman

Following your election, you will be formally introduced to the Court of Aldermen at the first meeting following your election date.

You should then seek to meet with the Chairman of General Purposes of the Court to discuss how best your talents and experience in the City may be best leveraged by both the Court and the City of London Corporation more broadly. For example, you may have had extensive overseas experience in specific countries, or you may have an in-depth knowledge of a sector which the City of London wishes to promote. Your skill set and track record will be invaluable when it comes to identifying who can assist in hosting business and overseas delegations, organising promotional events and supporting and shaping the future strategy of the City of London.

The City of London Corporation maintains a multi-year strategy which you should familiarise yourself with as this provides the context for the organisation's strategic and policy priorities. You will be allocated each year to one or more of the Corporation's committees and be expected to contribute as well as gain a more detailed understanding of the workings of the Corporation.

Within your first year, you should also meet with the Chairman of Privileges of the Court of Aldermen. The purpose of this meeting is to discuss your interest in seeking to progress to the Office of Lord Mayor. The Chairman of Privileges will outline the appraisal process and the criteria used in the evaluation to determine who is suitable to be considered. Where there are several new Aldermen in one year, this meeting may be held for all together, although more personal consultations may follow, to enable each to reflect on their own business and personal circumstances. Following your election, you will also develop working relationships with members of the Court of Common Council through appointments to some of the City Corporation's many, and interesting, decision-making committees and sub-committees. Serving alongside the Common Councillors and contributing to policy development and service delivery is important as this allows Aldermen to learn about the complexities of the organisation, whilst also building important relationships across the two Courts (Court of Aldermen and Court of Common Council). At an early stage, you should also meet with the Chair of the Policy & Resources Committee (CPR).⁵

As and when you consider putting yourself forward for formal appraisal, it may be beneficial to take a sounding from one or more previous Lord Mayors. Consultation with the Chair of the Policy Resources Committee (CPR) is also useful at this stage so you can start to contemplate what elements of the Corporation's strategy you are aligned with and may seek to champion if you are successful in being nominated as Sheriff and ultimately Lord Mayor.

It is important to state that you do not have to have a spouse/partner/consort as part of the Civic Team in order to progress to the Offices of Sheriff and Lord Mayor. However, during the Mayoralty, a number of practical issues may arise that a spouse/partner/consort may be able to assist with.

The Aldermanic appraisal process – applying for the Office of Sheriff and Lord Mayor

The Aldermanic appraisal process is how you apply for, and are assessed for, election to Office as Sheriff and Lord Mayor. The appraisal process is overseen by the Court of Aldermen’s Privileges Committee which is chaired by an Alderman who has been Lord Mayor. It is the Privileges Committee that is the decision-making committee in determining which Aldermen they nominate for each Office, each year. The appraisal process is divided up into several elements with the aim of assessing your suitability.

In outline the process is as follows:

Confirmation of intent to be appraised for Offices of Sheriff or Lord Mayor	February	Notice to be sent to the Town Clerk’s Department by a specified deadline following the February meeting of the Privileges Committee
Submission of candidacy for (1) the Office of Sheriff or (2) the Office of Lord Mayor	February/March	Self-nomination by deadline set by the Privileges Committee each year
References	March/April	References taken by an Independent firm appointed by the Privileges Committee each December for the following year
Shrieval and Mayoral Interview Panel convenes	April	The Shrieval and Mayoral Interview Panel interviews candidates and reports on suitability to the Privileges Committee
Privileges Committee (Suitability and sequence)	Early-mid May	The Committee meets to assess candidacy papers, references, and the Interview Panel’s appraisal to agree suitability of candidates for Office and the sequence for those approved for progression
Common Hall – Election of candidates for Office Sheriff/s Lord Mayor	June each year September each year	The Liverymen of the City of London Livery Companies elect the Sheriffs from those in nomination.

		The Liverymen nominate 2 Aldermen for election as Lord Mayor, with the final decision of election resting with the Court of Aldermen

Further guidance on each stage of the process is set out below.

Guidelines for Applications

If you wish to apply for the Shrievalty, it is important to recognise that this application is the start of the path to move towards becoming Lord Mayor and your application will be treated on that basis. The skills required for both Sheriff and Lord Mayor must demonstrate three things: -

- An impressive track record of achievement and recognition as an outstanding performer in your field.
- A breadth of relationships across varied sectors and geographies and a proven ability to build effective networks.
- The personal qualities that enable you to be a highly credible and strong ambassador for the City and the UK.

There are three stages to the overall process for progression to the Shrievalty and Mayoralty:-

- Submission of application papers and an interview by the Shrieval and Mayoral Interview Panel
- Submission of application papers, a written assessment of each candidate from the Interview Panel and a summary of references to the Privileges Committee who agree a candidate’s suitability for progression and when they should go forward to Office
- Formal Election by the Livery to become Sheriff and by the Livery and the Court of Aldermen to become Lord Mayor.

When to Apply

Whilst the role of Sheriff can be combined on a part time basis with an executive career, the role of Lord Mayor requires a full-time commitment. Therefore, it is important to apply with this in mind and to ensure that you have the time available at the appropriate stages.

The application process opens in February each year. The application for Sheriff relates to the following year i.e. an application in year one is usually to take up the role of Sheriff in September year two.

An application cannot be made for Lord Mayor until you have been formally nominated to serve as Sheriff i.e. you can only apply for Lord Mayor once nominated as Sheriff before you serve, or you can apply at any stage after you have served as Sheriff.

These guidelines refer to both an application for Sheriff and an application for Lord Mayor. Application and reference details should be updated as appropriate depending on the timing between both applications. Guidance on this can be sought from the Town Clerk's Department.

What to Include in an Application

The initial application should include the following.

- A personal statement as to why you feel you are suitable for the role of Sheriff and ultimately Lord Mayor (no more than three/four pages of A4)
- A full CV including a summary biography (maximum of three/four sides of A4)
- A list of a maximum of between four and seven referees
- A completed due diligence form.

When applying for progression to the Office of Lord Mayor, the original application (personal statement (for the Shrievalty) and CV, and due diligence form) should be updated as appropriate.

Guidelines for Personal Statement

Your personal statement should detail exactly why you feel you are suitable for the role and be a maximum of three/four sides of A4. It is a personal statement and should be written in your own style. It should highlight strengths and any areas that you are still developing. Please ensure that you refer to the required key competencies and address the three key requirement areas, these being track record, relationships and personal qualities, including examples. The guidelines below are suggestions and not instructions. This section is your opportunity to make the case as to why you are suitable.

Track record

You should describe your record of achievement, experience and level of seniority. This should include any awards or recognition. Consider including where you feel you have made a real difference to your company or industry. What examples can you provide of your leadership skills and your ability to work at Board, ministerial or equivalent level. What experience do you have of business development and of working internationally?

Relationships

Please describe the depth and breadth of your networks. Include all sectors that you have worked in or have connections with. Does your network expand beyond industry into government, regulation, voluntary, charity, livery and international? How would you describe your style and your ability to build relationships? What is your media and online profile: are you recognised amongst your peers and more widely?

Personal Qualities

This is your opportunity to describe why you as an individual have the qualities that would make you an effective Sheriff and potentially Lord Mayor. What is your style and how do you work with others? What is your experience of media and public speaking? What examples do you have of assimilating information at short notice and ensuring effective outcomes?

Finally, you should describe your aspirations in the role of Sheriff/Lord Mayor. If applying for the Office of Sheriff this should include how you propose to use your year in office as Sheriff to prepare you for nomination to Lord Mayor, any specific plans you have for the year along with any steps you are proposing to take to handle the commitment of the Office. If applying for the Office of Lord Mayor, the preparation and steps should also be detailed along with your strategic plans for the year.

Guidelines for CV and Biography

A full CV should be submitted to a maximum of three/four sides of A4. The CV should include a summary biography. This is the biography that would be submitted to senior business and overseas leaders before any meeting and so should showcase your experience and track record.

Your CV should detail your career and include positions held, dates, responsibilities and achievements.

Guidelines for References

Ahead of submission with your application, a minimum of four and a maximum of seven referees should be identified and discussed with the Town Clerk's representative and the Chair of the Privileges Committee. Referees should be individuals who can vouch for you and provide veracity to your personal statement. Ideally, they will be recognised stakeholders in, or associated with, the City whose opinion will be valued and respected. They should be selected from across sectors to show the breadth of your experience, e.g. commercial, voluntary, charity, government, international, personal.

In addition to your chosen list of referees, the views of The Town Clerk and The Recorder will also be sought. If, in the view of the Interview Panel, it would be helpful to take soundings from someone who has not been nominated by the candidate but who would have a very good knowledge of the individual, a request may be made to an additional referee following consultation with the candidate.

A third party (recommended for appointment by the Chairman of the Privileges Committee and agreed by the Privileges Committee, usually in December of each year) will be asked to contact each referee following a letter of introduction from the Town Clerk's Department. The appointed firm will independently gather the references and aggregate these into a report on each candidate. The report will not attribute any specific detail to any one referee unless the referee has expressly agreed to this. References will be taken by telephone to ensure that they are full and unambiguous. A standard structure will be followed to avoid any unconscious bias and will focus on the three key areas, namely track record, relationships and personal qualities. However, it should be recognised that any conversation will flex around an individual's skills and career as appropriate. If a referee does not wish to be interviewed by telephone a written reference can be considered, following prior discussion with the Chairman of the Privileges Committee.

With regards to an application for progression to the Office of Lord Mayor, a full set of updated references may or may not be required depending on timing. This should be discussed and agreed with the Town Clerk's representative and the Chairman of the Privileges Committee at the start of the annual appraisal period.

The Shrieval and Mayoral Interview Panel

The terms of reference of the Shrieval and Mayoral Interview Panel are subject to approval by the Privileges Committee. The latest version is at **Appendix 4**.

The Interview Panel's role is to spend time with each candidate and through presentation and questions, to independently assess them for suitability to become Sheriff or Lord Mayor. The results of their assessment will then be gathered into a summary report on each candidate, which will be compiled by a third party present at each interview, and presented to the Privileges Committee for consideration along with the other submissions: candidate's personal statement and CV, due diligence form and the summary Referee Report.

Appointment and Composition of the Interview Panel

The Panel is appointed by the Privileges Committee. Independent Members are appointed for a three-year term and may undertake a maximum of three terms. All Panel Members will be encouraged to undertake training on unconscious bias if this has not already been done.

The composition of the Appraisal Panel for 2020 is:

- Chair of the Privileges Committee (Chairman of the Panel)
- Deputy Chair of the Privileges Committee
- Chair of the General Purposes Committee
- Chair of the Policy & Resources Committee
- Late Lord Mayor
- Chief Commoner
- A minimum of three Independent Members (from the business City) drawn from a pool of Independent Persons appointed by the Privileges Committee (usually in December each year).

The quorum for the Panel is currently the Chairman or Deputy Chairman of the Privileges Committee or in their absence the Chairman of the General Purposes Committee and not less than two Independent Members.

It is proposed that the number of Independent Members on the Panel be extended to five Members (with a quorum of not less than three being present at all interviews), although it is recognised that this may not take effect until 2021. It is also proposed that the composition of the Panel be modified as follows from 2021 onwards:

- Chairman of the Privileges Committee - principally to Chair the Interview Panel and act as continuity with the Privileges Committee
- Deputy Chairman of the Privileges Committee
- Chairman of the General Purposes Committee of Aldermen
- Chair of Policy & Resources (CPR)
- Chief Commoner
- Five Independent Members

To ensure that a suitable number of Independent Members are available to attend the appraisal interviews, a higher number than those required may be appointed by the Privileges Committee. It is envisaged that, beyond 2020, there will be a pool of ten Independent Panel Members from which the annual Interview Panel membership can be drawn.

Supporting the Interview Panel will be a senior officer from the Town Clerk's Department and a representative from an appointed independent firm, whose role will be to take notes and write up the summary report on each candidate, which the Panel Members will be asked to approve before it is shared with the candidate and the Privileges Committee (excluding other candidates).

The Role of the Interview Panel

The Interview Panel meets in April each year and will be given the Referees' Report and application documents. These will form the basis for the appraisal. The Panel will be Chaired by the Chairman of the Privileges Committee, or in their absence the Deputy Chairman of the Privileges Committee, and each interview will last between 45-50 minutes.

At the start of the interview, following introductions, a candidate will be invited to present why they feel they are suitable to take Office (as Sheriff or Lord Mayor) and why they wish to apply. That presentation should last no more than 10 minutes, after which the candidate will be questioned on this and their application, principally by the Independent Members and the Chair of the Policy and Resources Committee (CPR). At the end of the interview the candidate will have the opportunity to add any final points or to raise any questions they may have.

The Panel will be assessing the candidate against the stated three areas; namely track record, relationships and personal qualities (as per the Person Specification for the role of Lord Mayor). They will be formally assessing whether the candidate demonstrates minimal, some, strong or very strong evidence of meeting the competencies required in each of these areas.

If progressing to the Office of Lord Mayor, a minimum of two panel interviews will be required. One for Sheriff and one for Lord Mayor. It is up to the Interview Panel to determine the number of interviews required depending on a candidate's skills and experience. The Panel will provide feedback as to when they would wish to see a candidate again and what areas they would like to see a focus on, as further interviews are often required, especially as a candidate develops their career and skills.

The Interview Panel's Report

A report on each candidate will be drafted by the independent observer based on the Panel's discussion and will summarise the assessment against the criteria for suitability to Office based on competencies, interview performance and input from referees. As with the approach to references, the report will aggregate the opinions of all the Interview Panel Members and will not attribute specific comments. This report will be approved by all Members of the Panel before it is shared with the candidate.

A scoring sheet around the three key areas will be used during the interviews by the Panel Members so they can note where minimal, some, strong or very strong evidence, against the key competencies in the Job Description/Person Specification, has been provided by a candidate. This information will not be retained once the Panel's summary report has been cleared by the Interview Panel for onward submission to the Privileges Committee.

The Interview Panel will comment on an individual's strengths and developmental needs and the summary report will provide a clear and evidence-based view on whether a candidate is suitable for progression (or not at that point in time). Any differing views in respect of a candidate's suitability for progression will be reflected in the summary report if necessary.

The Interview Panel will not make recommendation to the Privileges Committee about timescales for progression – that will be a matter of consideration by the Privileges Committee.

The Interview Panel will be clear, at this stage, whether a further interview will be required by any candidate. Where a further interview is not requested because a candidate is deemed suitable for progression, though they do not progress to Office within the three-year period following their first interview and approval by the Committee as suitable for progression, a further interview must take place.

Feedback from the Panel

Following the interview stage, and once all candidates in that particular year have been assessed, the Chairman and Deputy Chairman of the Privileges Committee along with an officer from the Town Clerk's Department will meet with each candidate to discuss the Interview Panel's opinion on their suitability for progression to Office. Copies of the Referee Report and the Interview Panel's Report will be given to the candidate not less than twenty-four hours before the meeting, so they have time to review the documents. The meeting will provide the candidate with the opportunity to discuss and hear the opinions of the Panel and explore their thoughts and observations.

Following the feedback, a candidate has a choice. They may choose to put themselves forward to the Privileges Committee for a decision to be taken by all Aldermen about their suitability for Office or they may decide to withdraw their nomination, focus on any areas for development and potentially apply again at a future date. In this instance, the candidate's papers will not be circulated further, and a date will be set for a more detailed feedback session with the Chairman and Deputy Chairman of the Privileges Committee to discuss the individual's development, support and future pathway.

If a candidate decides to continue with their application the reports, along with the personal statement, CV and due diligence form, will be submitted to the Privileges Committee in May.

Confidentiality

This is a key consideration. Whilst the Interview Panel assess and make recommendations, it is the role of the Privileges Committee to review these and to agree who should go forward for progression for a particular year (i.e. appraised in April 2020 and in May, approved for progression to Office in June/September 2021 by the Privileges Committee). As per the Confidentiality Agreement which is signed by each Alderman following their election and upon taking Office, all discussions and the information contained in the appraisal related reports must be kept confidential in order to respect a candidate's privacy.

Leading up to the May meeting of the Privileges Committee, three documents will be made available at least one week before the meeting, namely each candidate's Statement and CV (application), the Referee report and the Interview Panel report. Whilst hard copies are currently provided, it is proposed that an online solution be used in the future to further strengthen confidentiality.

It is important to note that only those Aldermen who are not applying for the roles will have access to the full set of materials i.e. if a candidate does not withdraw from the appraisal process ahead of the May meeting of the Privileges Committee, they will only have access to the material that relates to them.

Privileges Committee - Review and Procedure

If a candidate decides to continue with their application, their reports will be sent to the Privileges Committee who meet in early-mid May to consider the information. Candidates for the Office of Sheriff will be considered first. The following process will be the same for each Office.

With all candidates present in the room, the Chairman will read the names of the new candidates for each Office and ask each whether they wish to address the Committee. They will then confirm which Aldermen are in the pool of suitable candidates (i.e. they received an agreed vote for suitability in the preceding two years) and whether they wish to address the Committee.

All candidates (as above) will then be asked to leave the room.

It is important that all paperwork in respect of the new candidates is carefully reviewed by members of the Privileges Committee in advance of the meeting to ensure that candidates are not excluded from the meeting for a lengthy amount of time.

The Chairman will then ask the Committee to consider each new candidate in turn as to their suitability for Office. The Chairman will refer to the Referee Report and the Interview Panel's Report and ask for comment from Committee Members as to whether they agree or disagree with the opinions expressed. The Committee will be asked if they have any questions for any of the new candidates and if they do, the named candidate will be invited to return to the room in order to respond to the question/s. The candidate will then be asked to withdraw again. Once the Committee is satisfied that there are no further questions, it will move to the ballot process to determine (1) which of the new candidates (for each office) is deemed to be suitable for possible

progression (first vote) and (2) who should be approved for progression in the following year (subject to Common Hall's deliberations) (second vote).

A suitability vote in respect of those candidates that were approved as suitable in the preceding two years is NOT required but those individuals cannot participate in the first stage vote (suitability) for newly appraised candidates and they are not entitled to see the paperwork pertaining to any other candidates for that particular Office.

Indicative votes will not be taken in respect of progression in future years, except where the Privileges Committee considers there to be exceptional circumstances.

Candidates for each Office will not have access to any appraisal related documentation, other than their own.

Ballot Process:

There will be two stages to the voting procedure, each stage will be conducted on the basis of a secret ballot. The first vote is to determine if the Committee agrees that a candidate is suitable to be considered for progression. The second vote will be to determine, from those that are confirmed as suitable, which candidate should go forward to High Office in the following year. The same process will apply to both the Shrieval and Mayoral rounds.

First stage vote - Suitability:

The candidates for a particular office will not be present in the Court Room. This will include those Aldermen who have previously received an agreed vote for suitability but have not yet progressed to High Office (i.e. within the last two years).

A ballot paper with all the candidates' names on it will be handed to each member of the Committee. At the Chairman's request, all members of the Committee will mark "Yes" or "No" in respect of each candidate.

The ballot papers will then be collected by the Town Clerk's representative and passed to the Town Clerk who will call out the results from each paper so they can be collated.

Once a tally has been taken, this will be shown to the Chairman of the Committee and the result announced to the Committee.

This first stage vote will result in a list of individuals whom the Committee feels is suitable to be considered for progression. This will potentially include Aldermen already in the suitability pool and newly appraised individuals. A candidate must receive at least a majority of the "yes" votes cast in order to be deemed suitable.

The Chairman will leave the Court and tell the candidates the outcome of the first stage vote. They will respond to any questions before inviting all candidates back into the Court room.

Second stage vote – Approval for progression in the following year:

With all candidates present, the Town Clerk will read out the names of all those candidates that are in nomination for progression (i.e. those that have received a first stage vote of suitability) and whom would like to be considered for progression in the following year.

For the purpose of casting their votes, Members should be present in the Court when a ballot is called.

A ballot paper specifying the names of all those candidates will be passed to every person in the room who is eligible to vote (i.e. every Alderman present including all “suitable” candidates for that particular Office). At the Chairman’s request, all members of the Committee will mark “Yes” or “No” in respect of each candidate. “Yes” for progression in the following year and “No” for not at this point in time. Only one “yes” vote may be cast by each Alderman.

The ballot papers will then be collected by the Town Clerk’s representative and passed to the Town Clerk who will call out the results from each paper so a tally can be compiled for each candidate.

Anyone supported for progression must achieve a majority of those present and voting. In the event that there isn’t a clear majority, the candidate with the lowest number of yes votes will be eliminated and the voting procedure will be repeated until one candidate has obtained over 50% of the votes cast (i.e. a majority of those voting).

In the event of a tie between two candidates, there shall be a re-ballot unless one of the candidates indicates that they would like to withdraw from the process, noting that this does not mean that they will automatically go forward for progression after the next appraisal round. If, following that further ballot there remains a tie, the Chairman of the Privileges Committee shall use their casting vote to determine who shall go forward for progression to High Office.

Once the result of the final vote is known this will be shown to the Chairman of the Committee and announced to Members of the Committee. This is the name that will go forward to the Livery for the following year.

The above procedures will be used for determining progression to both the Offices of Sheriff and Lord Mayor.

Where a candidate is approved as “suitable” but does not secure the Committee’s approval for progression, they shall not need to return to the Interview Panel for a period of three years unless this is specifically requested, or the individual’s circumstances change. Individuals who sit within the pool of “suitable” candidates, will be asked to complete a declaration each year that there have not been any material changes to their circumstances.

Being in the pool of “suitable” candidates does not guarantee that an individual will, at a future date, be supported for progression.

Double Aldermanic Elections

Whilst one of the two sheriffs at the Old Bailey will usually be an Alderman and the other will not, from time to time the “pool” of qualified Aldermen who have served as Sheriff and who are eligible to progress to the Mayoralty reduces and, in such circumstances, the Privileges Committee may consent to a Double Aldermanic Shrievalty in a particular year. Two Aldermen are thus supported for progression in a stated year, following a dialogue with the Livery Committee so the Court’s views are known in good time.

Where necessary, the Privileges Committee will consider the need for a double Aldermanic Shrievalty and the balloting arrangements will be revised to ensure that all those involved in the second stage voting process will have and shall be expected to use two “yes” votes. This will ensure that the Committee reaches agreement as to which two Aldermen shall be supported for progression to the Shrievalty in the following year.

Election by the Livery

At Common Hall in June, the Livery will elect two Sheriffs. After the extensive interview process, the Livery almost always support the Court of Aldermen’s Aldermanic nominee (or nominees in the occasional event where two Alderman are nominated by the Court of Aldermen).

At Common Hall in September the Livery choose two names of Aldermen in nomination for Lord Mayor, with the Court of Aldermen then deciding (by secret ballot) which of those two Aldermen is elected as Lord Mayor. If the Alderman nominated for Lord Mayor by the Court in the previous May is one of those two names, the Court of Aldermen almost always elect that Alderman to the Office of Lord Mayor.

External Communication

The proceedings and results of the Privileges Committee will remain confidential. However, a letter will be drafted by the Town Clerk to advise the Livery of the nominations for Sheriff and Lord Mayor. It is important to nominate a year in advance to allow the candidate time to prepare to take on the role and to plan for any career adjustments.

The name of the nominated Alderman for the Office of Sheriff is normally published, one year ahead of the Livery Election of Sheriffs the following June. Following a successful election, the Alderman becomes Sheriff-Elect, until taking Office in late September.

The name of the nominated Alderman for the Office of Lord Mayor for the following year is also normally published in June. In November, later that year, following the installation of that years Lord Mayor, the nominated Alderman is referred to as the Senior Alderman Below the Chair or SABTAC. Following a successful Election to Lord Mayor by the Livery the following September they then assume the title Lord Mayor Elect until taking Office on the second Friday in November.

Mentoring and Support

Anyone wishing to seek guidance and views on their suitability for High Office or where they feel that they may have some development needs or may benefit from a programme of mentoring should, in the first instance, speak to the Chairman of the Privileges Committee. At any stage during an Alderman's term of Office, but particularly during the period of progression, the Chairman can recommend a fellow Alderman or other individual who can provide support and mentoring. Formal training e.g. media handling and speech delivery is available as appropriate.

Where an individual is successful in their application to Sheriff and ultimately Lord Mayor, it is strongly recommended that they work with a mentor that has held that role to provide advice and support.

However, the Lord Mayor must have the right balance of knowledge, skills and personal qualities to fulfil the requirements of Office.

Notwithstanding the requirements to be a serving member of the Court of Aldermen, candidates for the Office of Sheriff should expect to be assessed against the following list of key qualities, skills and experience, noting that the list is not exhaustive. The Shrieval and Mayoral Interview Panel (SMIP) ¹

The Aldermanic Appraisal Process

The appraisal process commences in February when all junior Aldermen who have not served in the Office of Sheriff are asked to confirm to the Town Clerk if they wish to be considered for that year's appraisal round (Shrievalty). The Aldermen that have served in the Office of Sheriff are asked to confirm if they wish to be considered for progression to the Mayoralty.

Appraisal interviews are usually scheduled to take place in April each year. Where availability permits, a full day will be allocated to the interview stage but if this is not viable, several half days will be scheduled. The interviews will take place either at Mansion House or Guildhall and the Town Clerk's representative will be present throughout. A third party will also be present to note the Panel's assessment of each candidate so this can be submitted to the Privileges Committee in May.

After the candidates have been interviewed (for each Office), the Panel must reach a conclusion in respect of each candidate's suitability to progress to the Shrievalty/Mayoralty.

A scoring sheet around the three key areas will be used during the interviews by the Panel Members so they can note where minimal, some, strong or very strong evidence, against the key competencies in the Job Description (JD)/Person Specification (PS), has been provided by a candidate. This information will not be retained once the Panel's summary report has been cleared by the Interview Panel for onward submission to the Privileges Committee.

At the conclusion of the interviews, the Interview Panel will comment on an individual's strengths and potential developmental needs and the summary report will provide a clear and evidence-based view on whether a candidate is suitable for progression (or not at that point in time). Any differing views in respect of a candidate's suitability for progression will be reflected in the summary report if necessary.

Where necessary, the Panel will confirm if additional interviews are required by a candidate.

The Interview Panel will not make recommendation to the Privileges Committee about timescales for progression – that will be a matter for consideration by the Privileges Committee.

Role of the Shrieval and Mayoral Interview Panel

The Interview Panel's role is to reach a view on whether a candidate seeking progression to the Shrievalty or Mayoralty meets the requirements of High Office. This is based on an assessment of each candidate's skills, knowledge, experience and qualities against the Job Description/s and Person Specification/s for each role.

¹ Formerly known as the Aldermanic Appraisal Panel

There are three stages to the overall application process:-

- Submission of application papers and an interview by the Shrieval and Mayoral Interview Panel
- Submission of application papers, a summary of references and a written assessment of each candidate from the Interview Panel to the Privileges Committee who agree a candidate's suitability for progression and when they should go forward to Office
- Formal Election by the Livery to become Sheriff and by the Livery and the Court of Aldermen to become Lord Mayor.

The Interview Panel will consider the following documentation ahead of a formal interview with each candidate, usually in April each year:

- **Candidate's Statement** - A personal statement as to why the candidate is suitable for the role of Sheriff and ultimately Lord Mayor (no more than three/four pages of A4). This will be accompanied by a full CV including a summary biography (maximum of three/four sides of A4).
- **Due Diligence form**
- **Reference Report** - a minimum of four and a maximum of seven referees will be discussed with the Town Clerk's representative and the Chair of the Privileges Committee ahead of a formal approach to the referees by a third party (recommended for appointment by the Chair of the Privileges Committee and agreed by the Privileges Committee, usually in December of each year) which will be asked to contact each referee following a letter of introduction from the Town Clerk's Department. The appointed firm will independently gather the references and aggregate these into a report on each candidate. The report will not attribute any specific detail to any one referee unless the referee has expressly agreed to this. References will be taken by telephone to ensure that they are full and unambiguous. A standard structure will be followed to avoid any unconscious bias and will focus on the three key areas, namely track record, relationships and personal qualities. However, it should be recognised that any conversation will flex around an individual's skills and career as appropriate. If a referee does not wish to be interviewed by telephone, a written reference can be considered following prior agreement by the Chair of the Privileges Committee.

In regard to an application for progression to the Office of Lord Mayor, a full set of updated references may or may not be required depending on timing. This will be subject to discussion with the Chair of the Privileges Committee at the start of the annual appraisal period.

The interview will be chaired by the Chair of the Privileges Committee. The independent Panel members will focus on asking a series of questions about the candidate's ability to fulfil the requirements of each role. "Scoring sheets" will be used by each Panel Member so comments and examples can be noted, in order to aid a discussion following each interview.

The skills required for both Sheriff and Lord Mayor must demonstrate three things:-

- An impressive track record of achievement and recognition as an outstanding performer in their field.
- A breadth of relationships across varied sectors and geographies and a proven ability to build effective networks.
- The personal qualities that enable a candidate to be a highly credible and strong ambassador for the City and the UK.

The Panel's Recommendations to the Privileges Committee

A third party will be present during the interviews to note the Panel's assessment so a written summary of the interview and the Panel's assessment of each candidate can be prepared for submission to the Privileges Committee in May. The Panel is expected to make comment on each candidate's suitability to take Office and provide a steer on any areas (skills, qualities, knowledge) where a candidate might benefit from further experience, skills development etc.

The Interview Panel will not make recommendation in respect of when a candidate should take Office. It shall only make recommendations with regards to suitability to progress to High Office based on the strengths of a candidate's application (in its entirety including the references and interview). The decision as to if and when a candidate progresses rests solely with the Privileges Committee which will read the Panel's summary reports and will have regard to its recommendations in reaching its decision as to which candidates should go forward and when.

Composition of the Shrieval and Mayoral Interview Panel and Terms of Reference

The Shrieval and Mayoral Interview Panel, which is appointed by the Privileges Committee each year, is comprised of:-

- Chair of the Privileges Committee
- Deputy Chair of the Privileges Committee
- Chair of the General Purposes Committee
- Chair of the Policy & Resources Committee
- Late Lord Mayor
- Chief Commoner
- A minimum of three Independent Members (from the business City) drawn from a pool of Independent Persons appointed by the Privileges Committee (usually in December each year).

Independent Members are appointed for a three-year term and may undertake a maximum of three terms. By having senior representatives of the business City, Common Council and the Court of Aldermen on the Panel, a number of interests are represented.

All Panel Members will be encouraged to undertake training on unconscious bias if this has not already been done.

The quorum for the Panel is the Chair or Deputy Chair of the Privileges Committee or in their absence the Chair of the General Purposes Committee and not less than two Independent Members.

It is proposed that the number of Independent Members on the Panel be extended to five Members (with a quorum of not less than three being present at all interviews), although it is recognised that this may not take effect until 2021. It is also proposed that the composition of the Panel be modified as follows from 2021 onwards:

- Chair of the Privileges Committee - principally to chair the Interview Panel and act as continuity with the Privileges Committee
- Deputy Chair of the Privileges Committee
- Chair of Policy & Resources (CPR)
- Chief Commoner
- Five Independent Members (with a quorum of not less than three being present at all interviews).

To ensure that a suitable number of Independent Members are available to attend the appraisal interviews, a higher number than those required may be appointed by the Privileges Committee.

Supporting the Interview Panel will be a senior officer from the Town Clerk's Department and a member of an appointed independent firm, whose role will be to take notes and write up the report on each candidate, which the Panel Members will be asked to approve before it is shared with the candidate and the Privileges Committee (excluding other candidates).

Time commitment

In terms of the time commitment required by each Panel Member, the following is required:

- Attend appraisal interviews – approximately seven-eight hours over one-two days in April (the exact time depends on the number of candidates). Where viable, the dates will be set for two years at a time.
- Read the candidates' Personal Statements and CVs, Due Diligence forms, and the summary Referee Reports that have been submitted.

Terms of reference

- the independent Members of the Panel are expected to be eminent persons who have or recently have had a recognised credential in the City and have access to City opinion in its widest sense (i.e. not confined solely to the business City)
- the role of the independent Members of the Panel is to provide a source of wider, informed City opinion on the suitability, from the point of view of the City, of particular candidates for the Shrievalty and Mayoralty so as to ensure, as far as practicable, that candidates put forward for election to these Offices are capable of representing the City (as per the Job Descriptions and Person Specifications for each role).

Extent of the Commitment

- the independent Members are asked to commit to serve on the Panel for at least one three-year term, renewable up to a maximum of three terms;
- in the interests of continuity, the terms of the independent Members would not be co-terminous;
- the length of service of an individual independent Member to be limited to three consecutive terms of three years, or a maximum of nine years;
- fees in relation to participation in the proceedings of the Appraisal Panel are not payable, but all reasonable expenses will be met.
